RE: Request for Change in ID

Amimon LTD. Original FCC ID: VQSAMNMGIN01
Original Approval Date: 10/01/2014
Teradek, LLC. New FCC ID: **2AFNQBRXMGIN01**

To Whom It May Concern:

Teradek verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries the AMIMON brand, the equipment bearing the changed identification carries the Teradek brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.
